SISTERS AND BROTHERS

The New Year has begun and we still have a fight on our hands. I can't stress enough on how important it is for us to Work, Believe, and Fight Together. In our Union there is so much to learn. The knowledge is worldwide, the support is international, and the work is never ending. We need your support at the membership meetings. How can a Union member expect so much out of the Organization, when the Union member doesn't put in any type of support for their Union. It's like this; if you want to see a better, stronger Local Union you must participate..... Don't wait for a situation or circumstance to come your way before you decide to participate. Get to know your rights and benefits from your Local Union. **YOU ARE THE UNION, STAND UP AND FIGHT BACK.....**
